### Acceptable Use of Technology: Student Access Contract

**A new contract is to be signed at the beginning of each school year.**

**This contract is to be filed at the school office.**

**Student's Agreement to Usage:** I accept and agree to abide with **BOE Policy 1230 - Acceptable Device and Communication Use by Staff, Students, and the District**. I understand that when I am using the district's networks, the Internet and other online services, or any other services provide by the district, I must adhere to all rules of courtesy, etiquette, and laws regarding access and copying of information as prescribed by BOE Policy 1230, as well as federal, state, or local laws. My signature below, and that of my parent or guardian (parent or guardian signature required if student is under the age of 18), means that I agree to follow the guidelines of BOE Policy 1230. I waive any right to privacy in my use of computers, networks, the Internet, other online services, including e-mail. The devices include district-owned devices or devices owned by the student or parent. I also consent to the monitoring, access, and disclosure of my communications, and other uses of these electronic tools by authorized USD 259 employees.

**Note to Parent or Guardian:** If a student is under the age of 18, a parent or guardian must also read and sign this agreement. The district asks the parent or guardian to review BOE Policy 1230 with the student and to sign the consent form. If you have any questions about the policy or this agreement, please call the school for clarification.

**Parent or Guardian's Consent:** As the parent or guardian, I have read BOE Policy 1230. I understand that a USD 259 student has access to the district network, the Internet, other online services, including an e-mail account provided to the student. Access may be provided through district-owned equipment. Access can also be provided through a student or parent's personal electronic equipment, including but not limited to a student's personal laptop, tablet, and smartphone.

As the parent or guardian of: \_\_\_\_\_ **[print student's name]**, I also understand that the Administration and staff of USD 259 cannot monitor all of my child's activities on the district's network, Internet, or services described above. In order to ensure system operations and to assure compliance with laws and policies, the System Administrator(s) has the authority to monitor all accounts, including my child's account. (See BOE Policy 1230).

I hereby give my permission for my child to use the district's network, computers or other devices, and/or a district e-mail account provided to my child for school use. As parent or guardian of my child, I waive any right to privacy for my child when my child is using district's network, computers or other devices, and/or an e-mail account provided to my child for school use. The devices include district-owned devices or devices owned by the student or parent. On behalf of my child, I consent to the access and disclosure of my child's use of the network, Internet, and e-mail by authorized USD 259 employees.
